Twelve children were operated on at the Adenoids and Tonsil Clinic in Keene, N. H.

I had an Infants and Pre-School Clinic, with two doctors in attendance.

I had a Health Booth at the Grange Fair.

I had a class of 13 pupils in the High school. Home Hygiene and care of the sick, 13 receiving certificates.

I replenished the first aid cabinet in the Depot school.

I had attended the Health Institute in Portland, Me., and the Red Cross Regional Meeting in Concord, N. H., and some of the lectures at the Educational Institute for School Nurses in Keene, N. H.

I wish to thank the Doctors, Supt. of Schools, Teachers, and the people in town for their interest and cooperation in my work.

Respectfully,
EVA M. FORTIER, R. N.

HINSDALE BRANCH OF A. R. C.

Report of the Chairman of the Nursing Committee

There is not much that can be added to the report made by the nurse.

Plans are being made for a dental clinic.

Two boys have been taken to A. B. Jordan oculist for examination and glasses have been procured for them.

Mr. John M. Lamb gave the chapter a wheel chair.

Miss Margaret Haines, R. N., graduate of Eliot Hospital of Manchester, substituted for Miss Fortier, during her vacation.

The Red Cross Courier and Public Health magazine have been renewed.

Respectfully submitted,

EVA N. FAY.

The circulation is about 1,300 books over that of last year and in the last ten years the increase amounts to over 11,000 books. We gladly accept the increased labor this entails and ask for your cooperation in returning books to their proper places. The supply of new fiction at times does not fill the demand and we thank those who do not ask for more than their share. In times of economical depression many people turn to a library for help and recreation and it is our earnest desire to be of the greatest possible assistance to all.

On April 1st Marian Fitzgerald, who has been our efficient librarian for two years, resigned because of ill health and the vacancy was filled by Luella Streeter, who had formally served as librarian.

The librarian attended two library meetings the past year. A reading club was conducted during the summer and a party

was held for its members as a part of a Book Week Celebration. Also a display of new library books was shown in a local store window.

Sixth Grade,	1938	38
Total all pupils in building,		202

A comparison with the record opened five years ago shows the enrollment of the upper four classes to be approximately one hundred per cent greater, as fifty-four pupils were enrolled in September of the year 1926, of which forty-seven were still members in June of 1927 . The significant part of

this comparison is that the same number of teachers is today serving twice the number of pupils which were served five years ago. This means a great reduction in per pupil cost to the town of Hinsdale.

It is interesting to note that the present senior class of 1932 contains twenty-eight of its original thirty-two members as freshmen.

It is gratifying to see that the scholastic achievement of our graduates in institutions of higher education has held again first place in the state of New Hampshire, compared with other schools of the same size within the state.

The efficiency of our school nurse and doctor has made possible a very good record in attendance.

Within the school the changing of so few of our teachers has been of very material assistance to the efficiency of the school. Our increased enrollment has multiplied the difficulties of the pupils during study periods as, with a full main room, with a class being held therein it is very difficult for the individual to concentrate. We certainly do need a study room.

Through the efficiency of our manual training department, many repairs and improvements have been made about the building.

I wish to express my appreciation to the Board of Education, the Superintendent, the faculty, the parents, and the pupils themselves, for the cooperation and assistance given this past year.

Yours truly,
CLEON B. JOHNSON.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale:

I have the honor to submit, herewith, my seventh annual report.

Buildings and Grounds. During the summer, the usual minor repairs, consisting of painting and cleaning, were made in all of the buildings. At the high school an additional door was cut from the main room into the Domestic Arts room, which greatly facilitates the passing of classes and relieves somewhat the traffic jams. A chemistry hood was built in the laboratory which greatly reduces the unpleasant odors from gases and chemicals. New movable seats were placed in the sixth grade room and twenty-eight new seats placed for the use of high school students.

At the Monument School, the old unsanitary privies were torn out and new and properly located chemical toilets were installed. Probably the same thing ought to be done at the Plains School in the near future.

The two central buildings will need painting soon. The Bridge Street building is in the worst condition and should be painted as soon as the District feels able to provide the money.

Teachers and Pupils. Relatively few changes were necessary this year in the staff. At the High School, Miss Helen Hawley who had served us so efficiently for two years as head of the Commercial Department resigned to accept a position in her home city. The Board elected Miss Katherine Flynn of Worcester, Massachusetts, a graduate of Salem Normal, 1931, to fill the vacancy. Miss Aldythe Taylor of Westminster, Vermont, a graduate of Plymouth Normal, 1931, was elected to succeed Miss Piper at the Plains School. Miss Ruth Martin,

Supervisor of Art, resigned to accept a position in Claremont and Miss Stella Tosi of Rutland, Vermont, a graduate of Keene Normal, 1930, in the three-year Art Supervisory course, was elected Art Supervisor.

It is interesting to note the great increase in high school enrollment in the past few years. The table below gives the figures:

1925-26	48
1927-28	60
1929-30	85
1931-32	108

This shows an increase for the period of 125%.

It is gratifying also to note the high standing of our high school among the high schools of the state. The 1930-31 Secondary School Report (page 22) prepared by the State Board of Education shows that for a period of five years Hinsdale High Schools had led the last of thirty-three high schools in its class. This, of course, means that the elementary schools are of the same high standard for the elementary schools furnish the foundation upon which the high school builds.

The cost of education in Hinsdale compared with the other school districts in the state is also significant. In 1930-31 the median per pupil cost for elementary instruction in 240 school districts was $83.67. This means that 120 school districts spent more than $83.67 and 120 spent less. For the same year the per pupil cost in Hinsdale was $61.85, $21.82 less than the median for the state. The average cost of high school instrution in the state in 1930-31 was $98.93. In Hinsdale the per pupil cost was $79.30 or $19.63 less than the average.

In this connection, I desire to keep before the citizens the great need for a vocational course for boys in our High School. The need is still very urgent and should be considered very carefully as soon as the economic crisis is over.

Again I wish to express my appreciation to the School Board, to the teachers and pupils, and to the parents and patrons of the schools for their loyalty and co-operation, and trust that the same cordiality and harmony may continue throughout this critical period which confronts us. LET'S KEEP OUR CHILDREN FIRST.

Respectfully submitted,
WESLEY H. DOUGLASS,
Superintendent of Schools.

EDALBERT J. TEMPLE,
Town Clerk.

WHERE YOUR TREASURE IS—Many a man has come to the end of life only to realize too late that the values for which he spent his precious years were not the real values. He has toiled for self or fame or power or money only to discover that the human values tower above them all. The kindliness of neighbors; the affection of friends; the love of dear ones; worthy work well done; treasures of truth and faith carefully taught to a generation ready and eager to carry on—these are the values that make life rich and abundant. It is for these values that teachers and schools stand. These are the values that are needed just now. The depression has reached the final psychological stage. Recovery is a matter of faith. We can hoard our money, starve our fellows, reduce salaries, lower standards of living, and paralyze those vital marginal industries that depend on generous buying power, or we can recognize frankly that our real treasure is human life and set about to conserve and strengthen the vital values. We can put children first and keep them first, knowing that it is they who must carry the torch tomorrow if civilization is to march forward. Of course, this will mean sacrifice, but sacrifice in order that children may have educational opportunity is no new thing in America. Most of the men and women who today are the backbone of our republic hold their present places because farsighted parents knew that children came first, and had the grace and the courage to do without, that sons and daughters might have a better life than theirs had been. That is the real American spirit. In that spirit let us keep the schools at their best. Our great national treasure is the children. Let's keep the CHILDREN FIRST.

N. E. A. JOURNAL, JANUARY, 1932.
